PROFESSIONAL PROFILE

Senior designer with 12+ years of experience across visual identity, brand communication, motion, and editorial design. Experienced in developing concepts and scalable visual systems for independent brands, creative agencies, and global organizations. Combines strategic thinking with hands-on craft, guiding projects from brief through design development and production.

EXPERIENCE

Senior Visual Designer - The Growth Syndicate

Jul 2026 – Present

Amsterdam, Netherlands
Freelance contract / Remote

- Develop visual concepts and cross-channel brand communications for digital campaigns, landing pages, and marketing initiatives.
- Collaborate with marketing teams to translate campaign objectives into coherent visual directions and production-ready assets.
- Work in fast-paced MVP cycles, refining concepts quickly through feedback and iteration.
- Use Figma, Adobe tools, and AI-assisted workflows to accelerate design exploration and production.

Senior Visual Designer - Endava

Nov 2020 – Feb 2025

Chișinău, Moldova
Full time / On site

- Contributed to visual identity systems and internal brand communications for a global technology company.
- Developed the QuickFire visual identity and style guide for an internal news platform serving 10,000+ employees.
- Contributed to the redesign of employee-facing internal platforms and SharePoint experiences, collaborating with product design and global communications teams.
- Led the visual development of presentation materials for the 2022 UX Design Awards, featuring 91 projects from 46 countries.
- Collaborated with international teams to translate global brand guidelines into consistent visual communications across internal platforms and campaigns.

Visual Identity Designer - Casa IMAGO

Oct 2017 – Jun 2020

Chișinău, Moldova
Full time / On site

- Developed brand identity and communication systems for local and international clients across cultural and commercial sectors.
- Created key visuals and campaigns for MGMT (Copenhagen), the BACH classical music festival, From The Heart online shop, MallDova, and a year-long campaign for Air Moldova.
- Worked across identity, campaign, editorial, and digital touchpoints, translating creative concepts into cohesive visual communication.
- Collaborated with creative teams, clients, and production partners to deliver projects from concept development through final execution.

INDEPENDENT PRACTICE

Independent Brand / Visual Designer — Freelance

Oct 2012 – Present

International clients
Freelance contracts / Remote

- Partner with clients, studios, and creative teams to develop visual identities, campaigns, packaging, and editorial systems.
- Guide projects from initial brief and concept exploration through art direction, design development, and final delivery.
- Create coherent visual systems across physical and digital touchpoints, balancing distinctive creative direction with practical implementation.
- Collaborate with international clients and production partners across commercial, cultural, and independent creative projects.
